The New Testament describes the resurrection occurring on the third day after his burial following his crucifixion by the Romans on Calvary around 30 AD. You won't need any grammar nor boring exercises. Some years, Americans buy more candy the week before Easter than the week before Halloween. You just let yourself go while listening to your English lessons. It's about finding the right pace that will allow us to continue for many weeks. Typically, people start dying hard-boiled eggs in a variety of colors the night before Easter Sunday. First, the treat to motivate yourself, and then the study. Recently, I was waiting for a friend in a coffee shop. It's always best to learn in context by listening repeatedly. Ok. Let's start! Learning some time prepositions in English. Ok, let's start! Whenever Easter comes, everywhere I go, I see chocolate eggs and Easter bunny cakes. But what do we celebrate on Easter? Easter is a Christian holiday celebrating the resurrection of Jesus Christ from the dead. In my case, I have found a good solution: walking. So, I recommend that you find an activity or situation where the level of distraction is low to spend more time listening. Yes, it's true that you may not be fully focused, but let me tell you a secret. How interesting. My mission is to help you speak English fluently. Before we get started, go to my website SpeakEnglishPodcast.com to get the transcript. Imagine the number of words you end up learning—all of them new. That's why you're so fat. You can use "before" and "after" with specific times, days, years, or months. If you want to tell us how you celebrated Easter this year, you can leave a comment on my website. SpeakEnglishPodcast.com. Today, I'm going to talk about managing your English learning time. It can be of minor importance, but it helps to stay motivated. By the way, I recommend that you don't do it the other way around. We always have something to do in today's society, and there is never time for anything. Thank you very much for your practical and helpful method. Start calmly and find the right rhythm and routines. Americans spend this holiday with friends and family, and some attend special services held in churches on Easter. And while not all Americans observe the holiday from a spiritual point of view, Easter is certainly one of the most celebrated holidays in the States. How many hours you listened, if it was difficult, etc. It doesn't matter if you listen for 55 minutes or a little over an hour. Hot Cross Buns These are a typical Easter food. Well, I hope I've helped you with these reflections, and of course, also with English. Get the transcript on our website: #212 How to manage your time to learn English? Just write down an hour, and that's it. Oh, and... If there's one thing I'm guilty of, it's spending too much time on the internet. Very good. He hadn't opened a book in years. 500 hours at medium concentration and another 300 hours at low concentration. And I wasn't always focused, but I accumulated hours and hours of listening, and I got much better over time. As I say, it's a lousy excuse :) Ideally, you want to be in a situation with few distractions, but sometimes, that's difficult because we always carry our cell phones with us. The results will come, but your brain needs some time to assimilate what you learn. She'll be here any minute." So, even though I had my Kindle with me, I didn't read anything and spent my time browsing social media. In fact, I think time runs away from me, and I don't have time to chase it. It's not about running a lot initially only to be exhausted soon after, but the other way around. It's something I need to get better at. And I'm taking part in student exchange program, which is called work and travel. Right? In addition, you learn to look at things from a new perspective. And then, you have to learn how to use them according to context, sentence order, etc. I want you to learn English 3 times faster, and that's why I created a video course. We also try to lose weight to be ready for the beach in summer. Examples: "She renewed her membership about two months ago." "Winter seems a very long time ago." "He should have gone a long while ago." "BEFORE and AFTER" We use "before" and "after" to say that something happens before or after a specific time. #3 Improve your self-esteem. The truth is time flies. Your brain is always learning, even if you don't always pay close attention. Suppose you make yourself a cup of coffee every day. I remember my first conversations in Spanish. Maybe after getting to 5 hours of listening in a week, you can afford something special like watching a movie, going out to eat at your favorite restaurant, etc. #211 Time Prepositions in English Hi, I am Georgiana, your English teacher and founder of SpeakEnglishPodcast.com. For example, lately, I've been reading on and off. Today, I am going to talk about time prepositions in English. And with a point of view story, you will learn grammar in context without memorizing any boring rules. Maybe you can take long walks while listening to your lessons. Highly recommended if you need to practice your English!"! Raquel Nieto "I'm student from Siberia. We use ON before the days of the week: Examples: "I went to the doctor on Monday." "Don't call me on Sundays because I'm resting." "I'd like to buy you lunch on Friday." We use IN before months, sessions, time of the day, year, seasons, or after a certain time period. #2 Small daily actions have a massive impact over time. Get the transcript here: #208 Happy Easter 2022 Hi, everyone! I am Georgiana, your English teacher and founder of SpeakEnglishPodcast.com. It's free! Ok. Let's start! Prepositions are short words (on, in, to, of) that usually stand in front of nouns, pronouns, or a group of nouns. Well, only when you achieve the goal, of course. I've tried it the other way around) So no donuts before you start! #2 Create a routine. As human beings, we like routines. So, someone made this reasoning to him: "Let's say you only spend 10 minutes a day reading. Examples: "I haven't seen him for two years." "She had been taking care of her mother for a year." "I've waited for the bus for two hours." We use "AGO" to determine a specific time in the past. #2 Try the 1-minute challenge. It sounds silly, but it works. If you take 1 minute to read one page, that's 10 pages a day. And with a fun mini-story, you'll improve your English fluency by answering many questions in English. The treat doesn't have to be something fancy or expensive. My friend was about 10 minutes late. She has helped me to lose my fear of speaking English." Ana Moreno "She's a great professional and better person, if you are looking for someone to help you in this adventure of learning English, she is the right person, she will push you to take the next step, to progress day by day and you will see that you advance in speaking and listening." David Poto "I had very little time to prepare for an interview in English. I had a rather poor level of English. It's like having a conversation with another person in English. Let's say you listen for 1,000 hours during a year. So, imagine now that you go to a library and pick out 60 books. A delicious recipe, yet very easy to make. Although everyone is different, many people like to keep track of the number of hours they listen when learning English. I contacted Georgiana at a time when I felt blocked. Her method made me more self-confident with my English and my communication skills, so I recommend her courses to everybody!" Beatriz Luxán Delgado "I did not study English when I was a child. Also, when you move, more blood gets to your brain, and it stays more active. Georgiana is a native teacher with a great experience in the use of the net and her methodology is useful, practical and you can notice constant results." Joan Ramos "I started learning English using Georgiana's method and I am very pleased. I learned a lot more from my armchair at home than when I studied three hours of English per week in a language school where the teachers didn't care about the students, they didn't motivate them, they just followed a boring book and nothing else. Examples: "They never visit us before the summer arrives." "They will visit us after the summer arrives." "I'm hoping we can finish work before 5 pm." "I'm hoping we can finish work after 4 pm." Ok, that's it for now, but before we continue... I have something important to tell you. Mia is determined to learn English, and she starts to motivate herself by taking something. But before we start, please visit my website, SpeakEnglishPodcast.com/podcast to get the transcript of this episode. All the audio is in English and you can get the text at [#213](http://SpeakEnglishPodcast.com) How to manage your time to learn English part#3 Hi, I am Georgiana, your English teacher and founder of SpeakEnglishPodcast.com. I am Georgiana, your English teacher and founder of SpeakEnglishPodcast.com. As you know, my system is based on listening. Examples: "We sometimes finish work at night." "Kids go to bed at 9 pm." "I visit my family at Christmas." We use SINCE with days or dates. Examples: "I haven't seen Tom since yesterday." "She hasn't eaten since breakfast. And if there's one thing people love doing during the holidays, it's eating. Thank you Georgiana!" Cintia Do you enjoy learning English with my method? Ok. Let's start! 1# Look for situations with few distractions. I needed to prepare for interview in a short time. Why don't you share this with someone else who is learning English? Although the exact number of days is not important, we can draw the following conclusion: to create a routine; you need little time. Thank you Georgiana!" María Pérez "Thanks to Georgiana I have improved my speaking fluency and oral comprehension. Georgiana managed to keep me connected to the language and I continue practicing almost daily following her method and recommendations. Well, I hope I've helped you with these reflections, and of course, also with English. Get the transcript on our website: The Speak English Now Podcast is your resource for practicing your English speaking and listening. And if you are a long-time listener, I want to thank you for supporting this show by sharing it with your friends and family. "Since the party, he has not spoken to me at all." We use the preposition FOR to indicate the length of time. - I see. Today I'll talk about something more festive. This way, you can motivate each other and set common goals. I hope you like it. It serves to learn something new and contrast and reevaluate the culture in your own country. I'll ask you lots of questions that you'll have to answer right away. So, how's your English? Georgiana helped me very quickly and I got through an interview very well!" Antoshkina Ekaterina "I didn't like all the other methods that were used to study English and I didn't find them easy to learn, too much grammar, a lot of memorization, tests that only served to pass the exams, but not to learn English. With parsley, garlic, bacon, and red wine. And it's completely free. Every language is necessarily linked to culture. This can help you to be more original and creative in your daily life. Please share your honest opinion. In fact, I think very few people can do that consistently. Time flies, and it is vital to know how to manage it. So, today, I will give you three more points to consider regarding the use of time when learning English. I knew she could arrive at any moment. Psychologically, I figured, "it's not worth starting to read. If I had started reading, I could have read a few pages. So, here's what I suggest. And add it up by weeks and also months. All this new information accumulates in an orderly fashion in our brain and is ready to be used. Many times we go to the gym to tone our muscles. Therefore, it is a significant advantage since you can take the lessons wherever you want on your mobile, tablet, or laptop. The Bunny comes and hides them all over the house. This process improves our ability to remember all kinds of things. 200 hours at full concentration. This recipe is simple and is prepared in the oven or a slow cooker. :) In the same way, learning a new language is like sending our brain to the gym. I find discovering a new culture fascinating. A month has 30 days, so you would read 300 pages. It's true that grammar is important but her method is more convenient, safe, effective and the most important thing is that you don't get bored with time. But don't despair. #3 Keeping track of the time you are listening. Moreover, we learn to concentrate better. It would mean a lot to me. So, you can consider creating a specific routine to listen to at certain times of the day. We stimulate it with all sorts of new sounds, words we didn't know, grammar, expressions, and other elements. It helps us to improve our memory and concentration. This would be what you would have learned, just by reading 10 minutes a day in 5 years." I find the idea fascinating, as it shows in a very simple way how much time you can accumulate by devoting it to one thing consistently. I usually recommend at least an hour a day of listening, but if you can't, you can listen less. Try listening to some English content for just one minute. For example, if you listen to a song without paying attention, you may later hum the melody without realizing it. I contacted Georgiana and she helped me prepare for the job interview and thanks to that I got the job. This way, you can project how much time you will spend listening in a year, make averages, etc. And you don't have to be precise. 5 days ago#213 How to manage your time to learn English part#3 Hi, I am Georgiana, your English teacher and founder of SpeakEnglishPodcast.com. Pennsylvania Dutch settlers brought the rabbit to the United States in the 18th century. I found it excellent to learn in "context" as Georgiana teaches. It's completely free. Thank you Georgiana for your help!" Txel "My rating is based on my experience as a student of the last five years, always online. And the truth is that there are many, and some of them are surprising. Part #2 Hi, everybody! I am Georgiana, your English teacher and founder of SpeakEnglishPodcast.com. Speaking English is way easier than you think. I don't recommend memorizing the examples since that method doesn't work. Maybe 5 minutes in the morning and 5 minutes in the evening. Even in these circumstances, you can find a good strategy to learn English. It is a sweet bread seasoned with nutmeg, flavored with currants and apricots, and covered with a lemon glaze. The list is endless: driving the car; waiting in line at the bank; cleaning the house; walking the dog; ironing, etc. Before we get started, go to my website SpeakEnglishPodcast.com/podcast to get the transcript for free. I would recommend Georgiana without any hesitation." Mireia "Georgiana, in just a couple of months, has given me the motivation and resources necessary to improve my level of conversation to the point that it is no longer an impediment to accessing job offers where English is essential. So, it's a great thing! #2 You learn a new culture and a new way of thinking. Well, I hope I have helped you with these new reflections. It helps us to improve our memory and concentration. This would be what you would have learned, just by reading 10 minutes a day in 5 years." I find the idea fascinating, as it shows in a very simple way how much time you can accumulate by devoting it to one thing consistently. I usually recommend at least an hour a day of listening, but if you can't, you can listen less. Try listening to some English content for just one minute. For example, if you listen to a song without paying attention, you may later hum the melody without realizing it. I contacted Georgiana and she helped me prepare for the job interview and thanks to that I got the job. This way, you can project how much time you will spend listening in a year, make averages, etc. And you don't have to be precise. 5 days ago#213 How to manage your time to learn English part#3 Hi, I am Georgiana, your English teacher and founder of SpeakEnglishPodcast.com.
